<p>The month of July marks the midway point of the year. It's also considered a month of fun thanks to the patriotic party of the year that starts the first week of July. It's also the favored month to take vacation because of the constantly warm and sultry weather across much of the world.</p>				<p>Birthdays: July</p>		<p>Creekside Gables mission is to enhance our community family through respect, kindness and fun.</p>
